Letter dated 11 May 2000 from the Permanent Representative of the Russian Federation to the United Nations addressed to the President of the Security Council

With reference to document S/2000/363 of 29 April 2000, entitled "Report of the Security Council Mission on the implementation of Security Council resolution 1244 (1999)", I have the honour, as a member of the above-mentioned Mission, to state that paragraph 36 of that document does not reflect the agreement reached by all members of the Mission during the drafting of the report in the early hours of 30 April 2000 in Pristina. The respective paragraph, as endorsed by all members of the Mission and reproduced by the Mission's secretariat on the morning of 30 April 2000, read as follows:

> "The Mission wishes to express its deep gratitude to Mr. Kouchner, the Special Representative of the Secretary-General and Head of UNMIK, as well as to General Ortuño, Commander of KFOR, and all their staff for their cooperation and support".

May I request your kind assistance in having the present letter circulated a document of the Security Council.
